

REVENUE ADMINISTRATIVE ORDER NO. 1-2022 issued on June 30, 2022 amends Revenue Administrative Order No. 3-2014 relative to the supervision of security services in the Revenue Regions.

Said function was transferred from the Administrative and Human Resource Management Division to the Regional Investigation Division (RID). The RID shall now supervise/take charge of the security services in the Revenue Region and Revenue Data Center including, but not limited to, preparation of Terms of Reference/contract on procurement of security services and assignment and monitoring of security personnel.
